Scout Jeopardy is a chance for different scout groups from our area to get together, have some fun and test their various scouting related trivia skills. There will be 2 rounds of jeopardy similar to the show. We will be keeping track of scores and the winning group will get to take the coveted Coho Area plaque until the following year, with their name engraved onto it. Each team will send one member up at a time to answer each of the questions. Make sure to get your group to pick a creative name for the event.
